Teaching Experience

School of Rock Fairfax (2015-present)

Private and group instruction for students ages 3+ in voice, piano, guitar, music theory and popular music curriculum.

- Lead rehearsal-style group classes that focus on popular music curriculum and its relation to the fundamentals of classical musicianship.
- Individualize lessons for each private student's skill-level and goals, adjusting methods of instruction to unique learning styles.

Tutor: Music Theory, Songwriting, Spanish, English (2010-present)

Creating personalized, effective teaching plans in an encouraging and collaborative environment.

- Lead private sessions with students of varying ages and skill-levels to address specific academic needs.
- Guide students with discussions of underlying concepts, encouraging deeper understanding of material.
- Coordinate student schedules, progress, invoicing, and time management to ensure that sessions run efficiently and are on track with each student's individual program.

Performance Experience

Solo performance: singer-songwriter, piano/voice (2008-present)

Band experience: (2013-present)

- *Paulina Cameron:* vocalist, songwriter, pianist, front-person (2014-present)
